D - 10407 Berlin (Germany)
(near the S-Bahn station Landsberger Allee)

3. General Information

The rules of the DSV (German swimming regulations) and the anti-doping regulations will be in full force during the competitions.
The one-start-rule will apply - no false start.

4. Eligibility and entitlement to compete

All national and foreign federations, clubs or teams as far as their federations are FINA's members are entitled to compete.

5. Specification of the pool

The swimming pool is 50 m long with 10 lanes, divided by wavebreaking ropes. Competitors can use the pool for warming up until 10 minutes prior to the competition. The depth of the pool is 3.00 metres at all points. Water's temperature is 27°C. Automatic measuring will be in use.

6. Panel of judges

The judges will be supplied by the Berliner Schwimm-Verband (BSV).

7. Placing of heats / pre-heats and Final heats

All races will be swum in 10 lanes.

The preliminary heats will be set and timed by international rules without consideration of age groups and ranking.

In all other heats the setting and placing of the lanes will be decided by the registration or qualification times, again without consideration of age groups. The fastest race will be swum last.

Setting of two swimmers in a lane is not allowed.
The organizer reserves to himself to fill up vacant lanes.

8. Restrictions / limitations

The organizer reserves to himself to limit the number of entries about distances of 200m and longer (in case of problems with time schedule). If it is necessary to limit the entries of the 200m-distances, the limitation will be done **in each age-group to equal shares**. Limitations in the respective age-group will be made in dependence of the registration times. That means, the fastest entries of the respective age-group take priority. See also the table on the end of this invitation. The number of heats in the age groups Youngster II female and Youngsters III male can be limited to 4.

The clubs will be informed about rejected entries with their official confirmation.

The organizer is entitled to reject over the meeting schedule going out registrations. The order of rank of the incoming registrations is crucial.

9. Final heats qualification

The 8 fastest swimmers will be qualified for the corresponding final heats of the 50 m and 100m races. In case of qualified swimmers scratch their final entry in time, there are three reserve swimmers nominated for moving up to the final heat. The number of scratches decide the number of the moved up swimmers.

If more than 8 swimmers are qualified for the final heat race of their age group because they are swum the same time, the panel of judges decide the final participation by drawing lots.
